NEBRASKA PILS

NEBRASKA PILS
UPC 855921002264
12OZ CAN

Nebraska was home to many wonderful breweries before us. This beer pays homage to some of The Choicest Products of the Brewer's Art. Wonderfully bright and pale in color with a satisfying malt flavor. Classically Nebraskan.

The can art takes visual queues from some of the Omaha Metz Brewing Co. cans and marketing materials. While not only one of Omaha's earlier legacy breweries, it was also the brewery that, through a series of brewery buyouts or purchases, found themselves indirectly acquiring the original Nebraska Brewing Company of 1898.

CARDINAL PALE ALE

Our American Pale Ale is golden in color, mildly bitter, and characterized by the citrus-like aromatics, which are the result of an additional dry hopping with a massive amount of Cascade hops. This dry hopping process, adds days to our brewing process along with added expense, but we feel it to be the signature element within this beer. Crisp, crystal clear, and completely enjoyable. Currently, the top selling beer within our Nebraska brewpub.

EOS HEFEWEIZEN

This creamy, hazy, and richly golden beer is most accurately described as a Bavarian Hefeweizen. Slightly sweeter in style, it evokes thoughts of wheat and grain that mesh beautifully with a yeasty, slightly clove-like, banana aroma to create one of our most pleasurable ales. An award-winning Hefeweizen from the heartland.

INDIA PALE ALE

Our West Coast inspired India Pale Ale is rich in flavor and abundant in citrus-like, piney, and resinous aromatics created through a wonderful infusion of Citra hops. Completely refreshing, assertive, bordering on aggressive, crisp bitterness. Beautifully Nebraskan.

ABV 6.9%

BRUNETTE NUT BROWN

Our version of the classic English-style Brown Ale has a blend of six different malts and a hop schedule that results in a low-hop bitterness. The unique malt character brings to mind the taste and aromas of a blend of various nuts. Toasted breads and a light woodiness come to mind in this excellent sessionable ale. Amber to brown in color, perfectly clear, and a perfect match for an end-of-day gathering.
