MEADOWLARK

In an effort to fully & fairly evaluate Nebraska grown hops, we thought it would be wise to brew a beer that we already know inside out.

So, we've faithfully reproduced our ever-popular Cardinal Pale Ale with hops sourced from Midwest Hop Producers and dubbed this beer "Meadowlark".

By comparing Meadowlark & Cardinal Pale Ale we hope to build a better understanding of this hop field's terroir and inspire new recipes to embrace our local flavor.
