GIMME S'MORE

We're fans of the great outdoors & one of the things that makes the mind wander to thoughts of camping is a great fire & S'Mores. We've taken a newly formulated Brown Ale & blended in a perfect amount of vanilla & created the equivalent of a S'More in a pint glass! While there is no actual chocolate or marshmallow in here, you'll be hard pressed to convince your senses that they're not. Enjoy this one outdoors and if you can't be outdoors, this will make you think of everything you're missing...
